Florida International University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, master specialist, and doctoral degrees. Professional degree programs at FIU are accredited or approved by the appropriate specialized accreditation agency or pursuing full accreditation or approval. Each of these accrediting bodies have their own specific criteria, review process, and time frame. Additional information is available at accreditation.fiu.edu.

Classification of Students

Other classifications of students include masters, specialist, doctoral, non-degree seeking undergraduate, and non-degree seeking graduate.

Academic Calendar and Credit Hour

The academic calendar consists of two semesters lasting approximately fifteen weeks for Fall and Spring, and one condensed Summer semester. Semesters may include several shorter sessions.

Beginning in the fall 1981 semester, Florida International University began operating on the semester system. Prior to 1981, the University granted credits under the quarter system. All credit hours on this transcript are expressed in semester hours.

Dean's List

An undergraduate degree-seeking student who earns an FIU term / semester GPA of 3.50 or higher on the basis of completing nine or more credit hours for which grade points are earned, will be placed on the Dean's List for that semester.

Dean's List (Law)

Students who attain a grade point average of 3.00 or higher during any term / semester (excluding summer sessions) are eligible to be included on the Dean's List for that semester. To be included on the Dean's List, full-time students must earn at least 12 credit hours for the semester with a minimum of 6 graded credit hours. For inclusion on this list, part-time students must earn at least 8 credits for the semester with a minimum of 5 credit hours in graded courses.
